

The Shire of Dragon's Vale Newsletter

The meeting was held on July 22, at KCH (Kosciusko Community Hospital). There seemed to be a lack of bodies at the meeting.

We discussed Day of the Dragon at the meeting. This is to be our big event for the year and it is going to take all of our help as a shire to come together to be able to make this a great event.

We are planning for feast and planning on serving 40 people. Feast price was agreed to be \$10.00 per person.

We are looking for those that would be willing to help serve lunch and collect lunch fees. If you are able to help with this please get a hold of Sarah so that we know that it is taken care of.

We were throwing the idea of a donation auction around. This would be a great way for everyone to get rid of those things that they no longer want or need. Proceeds would go to the shire for future events next year. If you are able to donate something then we will have to know by the next business meeting.

The next meeting will be on Sunday August 26 at 4:00. It will be at the hospital again. We really need to have as many members there so that we can get the rest of the event ironed out.

This is the last scheduled meeting before Day of the Dragon. It would be wonderful to see everyone there. If you have ideas and can not make it please give someone a call that will be at the meeting so that we can discuss it at the meeting. Please try and show your support for your shire by helping out.
