

The Shire of Dragon's Vale Newsletter

June

First and foremost, I want to apologize for the newsletter not getting done sooner this month. I have had some major health concerns and my mind was not thinking about the letter. I am truly sorry for any inconvenience that this may have imposed on anyone.

Butt's and Bail's turned out to be a great event this year. We did not have as well of a turn out as we would have hoped, but all that attended seemed to have a good time. There was a consensus that the "meat mush" that was to be stone soup was pretty good. It seems though that the best part of the soup was when "Jack Sparrow" decided to grace us with his presence. There was only one request from him though; he wanted to know if we knew where he could purchase a pistol with only one shot. You really needed to be at the event to get the full effect of this gentleman.

As far as attendance we had 17 adults, 3 children, 1 family, and 3 non-members, a total of 24. Lunch was a great hit.

We decided to make a \$45.00 donation to Stones Trace for allowing us to hold our event there again this year.

There were really no offices that had anything to report this month.

We are changing the meeting times and dates. The meetings are on the last Sunday of the month at 4:00. The meetings are being held at Kosciusko Community Hospital. (Take the elevator to the 1st floor and turn left, in the cafeteria is a classroom as the double doors open. If you are coming from the emergence room doors, follow the hallway by the pay phones to the cafeteria, and the classroom is on the far end.)

The meeting in Sept. is on hold due to Day of the Dragon. If we need an extra meeting before the event then we will have it. The Nov. meeting is in combination with the Dec. meeting.

We are hoping to see some more faces at the meeting this coming week. There is still a lot that needs to be done for Day of the Dragon since that is just around the corner.
