

The Shire of DRAGON'S VALE Newsletter

Sept 2006

Officers Reports for the month:

Seneschal:

Arinwald has made the contacts to insure that The Day of the Dragon was canceled for this year. We are hoping that we will be able to have a wonderful event next year to make up for this year.

Knights Marshal:

Jean Paul notified the Kingdom and the Regional of the status change for Knights Marshal. His first report will be his doomsday report.

Exchequer:

Ysabel is waiting to get the final statement from the bank to check the shire's records against them.

MOAS:

Thomas reported that there is calligraphy, sewing, and cooking at Ragnar and Rowan's house on Tuesday and Thursday from 7 p.m. till 9 p.m.

Web Minister:

The web page has been updated as of the meeting. We need everyone to please double check the pages and make sure that everything is correct. If there is a problem please contact Cassandra at sandez@mchsi.com so she can get the correct information on the page as soon as possible. Also everyone that is listed on the web page needs to fill out a consent to publish sheet. If you filled one out already please double check that we have that on file.

Chatelaine:

Carlos has reported some possible demo's for next year. It was also proposed that we have a 12th night.

Fencing Marshal:

Brient said that he can do fencing on most nights of the week. He needs a call to know what night. He does have some gear that can be loaned out during practice but, it must be shared.

Upcoming events to think about for next year:

Camp Mack has a Fall Fest every year. This year's dates are Oct. 7, 2006. If you have a chance please check it out for a possible event for next year.

The Mentone Egg Fest is the first weekend after Memorial Day weekend.

Back to the Days of Kosciusko has invited us to share in their event next year. The dates would be Sept. 28 thru 30. They suggested having a small scadian camp.

(None of these events have been agreed upon they are just up for discussion.)

*** We are asking for everyone to keep their eyes open for other possible sites and events for this upcoming year. If you know of any please come to the meetings and share them with the shire. If you can not make the meetings

please contact one of the shire officers so that the information can be passed along. It is going to take everyone's help in building the shire and this is one of the ways that we can do this. ***

We are having a 12th Night at the Blue Loin. It will be Dec. 2, at 4:00 p.m. We are asking that you bring something to share for a potluck. The potluck is snack type foods. Please remember that this is considered a bite or more of what you are bringing and enough for 20 or more people. It has been asked that you post what you are going to bring on the ones list (yahoo group) so that everyone knows not to bring the same thing. We are also going to have a white elephant exchange. So as the saying goes bring a gift to get a gift.

Carlos is starting to work on a demo CD for the shire. If you have pictures that you would like to share please get them to Carlos.

Any fighter needs to double check with their handbooks. Things have been updated and there are some important changes. So before you step on the field to fight please make sure that you know your rules.

The next business meeting will be held October 23 at 7 p.m. at the Blue Loin. There will be no meeting in November there for that meeting will be combined with the December meeting. That will be held at the Blue Loin on the 4th of Dec.

Just for your fun can you find everything?
