

The Shire of Dragon's Vale

Reports:

Seneschal - There is not much to report. Has received conformation that the reports have been received.

Exchequer- The balance in the account has remained the same. Has received conformation that the reports have been received.

Chronicler- Sorry that there was not a newsletter last month. There is not much to report.

Chatelaine- Not much to report.

Fencing Marshal- Brian is going to be stepping down from Fencing Marshal for a while. He is going to be a Marshal of the Field.

Web Minister- Web page has been updated. Not much to report.

Old business:

It was decided to due to a lack of information as of now we are going to table the idea of moving the meeting date and time. This could be something that could come back up at a later date, but as of now the meeting will still be held the last Monday of the month at the Blue Loin. The time is going to remain the same as well, so the meeting will be starting at 7:00 p.m.

Tim is going to be getting a hold of kingdom/regional to receive copies of the past shire reports for Seneschal. These are reports the have to be maintained and in possession of the shire. It was agreed upon that if there is a cost for replacing them that Tim should be reimbursed.

New business:

It was decided that we as a shire are going to put in a bid for "Butt's and Bail's". This is an event that we have done in the past and there was a very good turn out. This event would be a thrown weapons only event. The dates that we have decided upon should we get the event would be June 23. As I said though we are waiting to hear if our bid had been accepted to know if we will be able to hold this event. With that in mind though please start thinking about things that would help the event, such as a meal, activities, and so forth. Bring you ideas to the next meeting or contact any officer so that the information can be passed along.

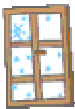

Carlos was out to the Mentone Airport where we held “The Day of the Dragon” last year. While being out there he was approached about possible doing another event out there. The Egg Fest is held the first week of June, or they would like one held a little later in the year.

We are going to be doing “The Day of the Dragon” again this year. The only thing that has been decided as of now is the date which will be held on Sept. 22. There is a lot to decide about the event and we need help to do the event. Ideas would be a great thing to have right now, as well as a feast plan or ideas for a feast. Anyone wanting to help with this please contact an officer if you can not make it to a meeting, or come to a meeting. (We would love to see everyone again)

Rowan Library would like us to have a demo there when the weather breaks.

North Manchester Library has window boxes that they would like us to put items related to the shire and the SCA in. The boxes would contain the items for two months and the earliest spot they have available is mid May. We are looking for things to fill the boxes. Please keep in mind though that you would not have items that you donate back for two months or a little longer. If you have anything please get a hold of Brian or Tim so we can figure space.

Just a little side note, if there is anything that you would like to see in the newsletter or would like to see me change something that I do to the newsletter please let me know. I am just looking for a little feed back to make sure that I am serving you all as well as I can. Thank you.
